

PROGRAM FEES*

Attire—\$75

All students will be required to purchase Program designated scrubs. The cost varies depending on the style chosen. Average cost for complete set is \$75.

Background Check—\$40

A Program application background check is required. Additional background checks may be necessary, at the student's expense. The approximate cost of the initial background check is \$40.

EPR/EMR Certification—\$60

CPR certification must be maintained throughout the Program. Emergency Medical Response (EMR) certification is offered through the ATH5440 course.

Health Insurance—Varies

Athletic training is inherently physically demanding. Each student must maintain personal health insurance; Carthage College will not be responsible for the costs incurred if any injury is sustained while perform the Program duties.

Immunization/Testing—Varies

Prior to the return to campus for the summer sessions, students are required to provide documentation of a negative Mantoux tuberculin test. By November 1, students are to provide documentation of an annual flu vaccine. Varies depending on health insurance.

Physical Exam & Drug Screening—Varies

A Program physical exam must be completed by a licensed physician, physician assistant, or nurse practitioner. The provider will confirm that the student meets the technical standards. An initial 10-panel drug screen is also required. Varies depending on health insurance.

Textbook Library—\$400

The Textbook Library fee covers all resources and materials that are needed for the Program. The collection is an all-on-one digital resource (with the ability to download the material as .pdf files). You will be given access to textbooks, videos and supporting materials.

Travel Expense—Varies

Students are responsible for transportation to clinical experiences. This includes fuel, car maintenance and automobile insurance.

Following admission to the Program, student may be responsible for obtaining and submitting additional background checks, immunizations, drug screens, and any other relevant requirements to be eligible for certain specific clinical sites.

***All costs are subject to change without notice**
